

RESOLUTION NO. 2010-101

**A RESOLUTION TO APPLY FOR I JOBS DISASTER PREVENTION GRANT
PROGRAM FUNDS FOR INGLEDUE STREET STORM SEWER REHABILITATION**

Whereas \$30 million of IJobs funds are available for City or County projects that assist in the development and completion of public construction projects relating to disaster prevention, including construction, replacement or reconstruction of local public buildings in a manner that mitigates damages from future disasters, including flooding.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF MARSHALLTOWN, IOWA:

Section 1: The estimated cost of the Ingledue Street Storm Sewer Rehabilitation project is \$632,839. The I Jobs Disaster Prevention Grant Program request will be \$514,619. The City of Marshalltown will cover the \$118,220 with storm sewer utility funds.

Section 2: The city shall promptly perform a review to determine the potential advantages and disadvantages of adopting a comprehensive plan or, if it already has a comprehensive plan, of amending that comprehensive plan following smart planning principles. If awarded I Jobs funds for this project, the City must complete the adoption or amendment of its comprehensive plan utilizing smart planning principles within three years of the award or such grant.

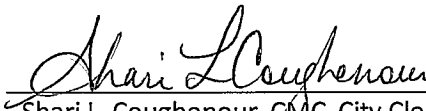

Approved this 28th day of June, 2010.
